PERSONAL SUMMARY

Digital Compositor living in London. Highly motivated, strong attention to detail and photorealism, dedicated to problem solving and working in a team, having a profound understanding of Nuke; seeking to leverage my current experience and skills to the next level with an urge to constantly learn new workflows, techniques and expand my knowledge and grow.

Senior Compositor, One of Us

jamie.bellamy1@btinternet.com

Marcel Pichert

Senior Compositor, Germany

marcel.pichert@hotmail.com

TEACHING

I enjoy training and helping upcoming artists via 1 to 1 mentoring. Classes are designed in a way that we go through their shots for personal projects or ideas for the shots, as well as teaching them compositing related concepts or techniques. I have mentored students from UK, Germany, France and India.

HOBBIES

PHOTOGRAPHY: • Learning photography to enhance my skills as a Compositor

MOVIES: • Love going to the cinema & watching movies, as well as behind the scenes of films

LANGUAGES: • Learning German (Proficient in English and 3 other Indian languages)

**WRITING
COMIC BOOKS:** • Written my own comic book, link -
